

2019 EVENT SPONSORS

Thank you to our 2019 Rocky Mountain Ball Sponsors!

<p>Patriot Sponsorship \$10,000</p>		<p>Advancing critical space missions.</p> <p>At BAE Systems, our experience integrating, modernizing and sustaining strategic missile systems makes it possible for our customers to defend against threats. With more than 30 years of experience providing customers with safe and secure launch solutions in mission critical and high-risk environments, we stand ready to support the U.S. Space Command in accelerating our space capabilities.</p> <p>Commitment where it counts.</p>
<p>Diamond Sponsorship \$8,000</p>		<p>Northrop Grumman is a leading global security company providing innovative systems, products and solutions in autonomous systems, cyber, C4ISR, space, strike, and logistics and modernization to customers worldwide.</p> <p>For more than 60 years, Northrop Grumman has been pioneering the innovative systems that defined the future of space. Our survivable and rapidly reconfigurable systems give our partners the critical support they need for mission assurance. From advanced threat detection to secure communications, we're building the technology that will win the future of space.</p>
<p>Platinum Sponsorship \$7,000</p>		<p>Lockheed Martin is a global security and aerospace company that employs approximately 105,000 people worldwide and is principally engaged in the research, design, development, manufacture, integration and sustainment of advanced technology systems, products and services.</p> <p>Our mission is to solve complex challenges, advance scientific discovery and deliver innovative solutions to help our customers keep people safe. And our vision is to be the global leader in supporting our customers' missions, strengthening security and advancing scientific discovery.</p>
<p>Gold Sponsorship \$6,000</p>		<p>Ball Corporation is a provider of aerospace and other technologies and services to commercial and governmental customers. Founded in 1880, the company employs more than 17,000 people worldwide. As both a spacecraft and payload developer, we have a unique understanding of instrument integration and experience delivering end-to-end systems. Our mission systems expertise translates into a proven ability to fulfill the most challenging customer requirements.</p> <p>Ball instruments, sensors and spacecraft lead the industry in performance and value. Our advanced data services turn information into knowledge for the defense and intelligence community, and our tactical systems support all branches of the U.S. Armed Forces with advanced C2ISR technologies.</p>
<p>Silver Sponsorship \$2,500</p>	   	<p>Viasat is the global communications company that believes everyone and everything in the world can be connected. For more than 30 years, Viasat has helped shape how consumers, businesses, governments and militaries around the world communicate. Today, we're a global team of fearless innovators finding better ways to deliver connections with the capacity to change the world. We're developing the ultimate global communications network to power high-quality, secure, affordable, fast connections to impact people's lives anywhere they are—on the ground, in the air or at sea. We have a history of delivering results built on bold promises.</p> <p>Over 70 years of Advanced Training and Combat Readiness solutions combining professional services and high-fidelity simulators transcending space, air, naval, and land domains. CAE provides: commercial airline full-flight simulators; U.S. aircraft pilot, rear crew, sensor operator and maintenance training; combat aircraft, lead-in fighters, helicopters, and special mission readiness; U.S. Naval whole ship operations; US Army direct and indirect fire, close air support, forward observation, tank driver, gunnery, and maintenance; CAE USA Mission Solutions (MSI) supports: F-15E, F-16C, F-22A, HH-60, V-22B/CZ, P-8A, CH-53K, CH-53E, CH-53G, V-22B, V-22C, V-22D, V-22E, V-22F, V-22G, V-22H, V-22I, V-22J, V-22K, V-22L, V-22M, V-22N, V-22O, V-22P, V-22Q, V-22R, V-22S, V-22T, V-22U, V-22V, V-22W, V-22X, V-22Y, V-22Z, V-22AA, V-22AB, V-22AC, V-22AD, V-22AE, V-22AF, V-22AG, V-22AH, V-22AI, V-22AJ, V-22AK, V-22AL, V-22AM, V-22AN, V-22AO, V-22AP, V-22AQ, V-22AR, V-22AS, V-22AT, V-22AU, V-22AV, V-22AW, V-22AX, V-22AY, V-22AZ, V-22BA, V-22BB, V-22BC, V-22BD, V-22BE, V-22BF, V-22BG, V-22BH, V-22BI, V-22BJ, V-22BK, V-22BL, V-22BM, V-22BN, V-22BO, V-22BP, V-22BQ, V-22BR, V-22ZV, V-22ZW, V-22ZX, V-22ZY, V-22ZZ.</p> <p>With more than a century of combined heritage, United Launch Alliance is the world's most experienced and reliable launch service provider. ULA has successfully delivered 135 missions to orbit that provide Earth observation capabilities, enable global communications, unlock the mysteries of our solar system and support life-saving technology. Building on the rich heritage established by its Atlas and Delta rockets, ULA is unleashing the energy of American ingenuity with the development of the Vulcan Centaur rocket, purpose-built to meet the need for expanding space missions.</p> <p>Intelsat General (IGC) is a wholly owned subsidiary of Intelsat, operator of the world's largest and most advanced satellite communications network. Our government customers rely on IGC to provide secure and seamless broadband connectivity for mission-critical operations on land, sea and air anywhere on the globe. With our newest managed services, FlexAir and FlexGround, we can provide immediate activation of high data-rate satcom to accommodate surge and unexpected demand in remote locations using small antennas with flexible pricing. From remote military outposts to border control and homeland defense, our customized solutions keep you connected to your people, your programs and your resources, any time, any place.</p>
<p>Titanium Small Business Sponsorship \$300</p>	   	<p>Boecore is a woman-owned aerospace and defense engineering company specializing in cyber security, software solutions, system engineering, enterprise networks and mission operations. Our work couldn't be more fascinating, more challenging or more vital. Since its inception in 2000, Boecore's employee-centric approach, rich work culture and drive to go above and beyond expectations have earned the company a reputation as a trusted partner for the Missile Defense Agency, Army Space and Missile Defense Command, Army Cyber Command and Air Force Space Command, including the Space and Missile Systems Center and Department of Homeland Security as well as commercial businesses.</p> <p>Located in Monument, Colorado, Allied Mountain has been providing high quality & cost effective solutions and services since 2008. As a Service Disabled Veteran Owned Small Business (SDVOSB) certified through the Veterans Administration and Small Business Administration, we have extensive experience in government and commercial technologies and services focused on innovative and flexible results that meet our customer's needs. To find out more about Allied Mountain visit our website at https://alliedmountain.com/ or contact us at info@alliedmountain.us</p> <p>I am a government contracts attorney with more than 20 years of experience working in the defense and space industries. Bringing a background of a mix of government and corporate experience, I can help small and midsize businesses navigate the maze of government contracting regulations. I enjoy becoming a strategic partner and trusted advisor for my clients. I do this by focusing on learning the details of my clients' businesses so I can provide the most effective legal and practical advice on strategy and business operations.</p> <p>Aereti provides consulting services for business leadership, management, and growth. Dr. Richard H. "Doc" Kiodnicki leads the team of consultants applying C-suite level experiences to help small to large companies across their business enterprise. Aereti is committed to making you, your services, and your products reach their fullest potential by teaming together to create success. We value excellence with integrity people and relationships, development of individuals and teams, and teamwork focused on results.
